## OVERVIEW OF CCBL

Automation of the trading system in Bangladesh started in the mid-90's. The objective was to make the capital market more efficient by providing all participants with quicker and more effective means of exchanging information.

As a part of the continuous modernization and increment in capacity of capital market in Bangladesh, the market regulator and relevant stakeholders took the different initiatives such as modernization of Stock Exchanges, establishment of Central Securities Depository, etc. The Bangladesh Securities and Exchange Commission promulgated the Bangladesh Securities and Exchange Commission (Clearing and Settlement) Rules, 2017 to form a Central Counterparty (CCP) in Bangladesh.

Under the purview of the aforesaid rules, Central Counterparty Bangladesh Limited (CCBL) was registered in January 2019. The company was established to act as a central counterparty to ensure clearing and settlement of trades of securities in the stock exchanges. Clearing and settlement of payment is an essential component of all securities transactions, which is currently being undertaken by the stock exchanges themselves.

## DIRECTORS' REPORT

**Dear Shareholders,**

Assalamu Alaikum,

On behalf of the Board of Directors, I would like to extend my sincere gratitude to all of you for participating in the 2nd Annual General Meeting of the Central Counterparty Bangladesh Limited (CCBL).

You are probably aware that the CCBL was incorporated with the Registrar of Joint Stock Companies on January 14, 2019, but our first Board of Directors was constituted on July 02, 2020 after appointment of Independent Directors. As a result, the CCBL could not call its Statutory Meeting, First and Second Annual General Meeting within stipulated time. The first Board after its formation appointed Statutory Auditor for audit of the Financial Statements for the Year ended June 30, 2019, and June 30, 2020. Thereafter the Central Depository Bangladesh Limited, one of our shareholders filled a petition in the Company bench of the Hon'ble High Court in the matter of 321 of 2021 under section 81 (2) read with 85 (3) and 396 of the Companies Act, 1994 for permitting to call and hold Statutory meeting, first and second Annual General Meeting also for condoning the delay.

The Hon'ble Court, after hearing, condoned the delay and issued following orders:

Quote

- “(i) The late appointment of auditors is hereby condoned, and the company shall be competent to have its account audited by the already appointed audit firm, who will prepare the statutory report as of June 30, 2019 for the purpose of holding the statutory meeting.
- (ii) The Managing Director on behalf of the company is hereby entrusted with the power to call, conduct, and hold the statutory meeting and Annual General Meetings of the company for the calendar years 2020 and 2021 upon scheduling the date, time and place within 8 (eight) weeks from the date of drawing up of this Judgement and Order. The Managing Director of the company or any other person of the company who were liable to pay fine of Tk. 250 (two hundred fifty) for each day's delay are relieved/exonerated from paying the said fine.”

#### Report on the Audit of the Financial Statements

#### Opinion

We have audited the financial statements of Central Counterparty Bangladesh Limited (hereinafter referred to as "the Company" or "CCBL"), which comprise the statement of financial position as at 30 June 2020, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give true and fair view, in all material respects, the financial position of the Company as at 30 June 2020, and of its financial performance and its cash flows for the period then ended in accordance with International Financial Reporting Standards (IFRSs).

#### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and we have fulfilled our ethical responsibilities in accordance with the IESBA Code and the Institute of Chartered Accountants of Bangladesh (ICAB) bye Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters.

#### Recognition of income tax expenses

The Company reported income tax expenses amounting to Taka 87,262,680 for the current period in the statement of profit or loss and other comprehensive income as per Income Tax Ordinance, 1984.

### **How the scope of our audit responded to the key audit matter**

- We obtained an understanding, evaluated the design and tested the operational effectiveness of the Company's key controls over the recognition of tax expenses.
- We assessed the completeness and accuracy of the calculation of current period tax expenses.
- We involved tax specialist to assess key assumptions, control, recognition and measurement of tax expenses.
- We also assessed the appropriateness of presentation of disclosures under IAS 12 - Income Taxes.

### **Other Information**

Management is responsible for the other information. The other information comprises all of the information in the Annual Report but does not include the financial statements and our auditors' report thereon. The annual report is expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

### **Responsibilities of management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards (IFRSs) and other applicable laws and regulations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing (ISAs) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing (ISAs), we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all

relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements:**

In accordance with the Companies Act, 1994 and International Standards on Auditing (ISAs), we also report the following:

- a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appeared from our examination of those books;
- c) the Company's statement of financial position and the statement of profit or loss and other comprehensive income along with the annexed notes 1 to 24 dealt with by the report are in agreement with the books of account; and
- d) the expenditure incurred was for the purposes of the Company's business.
